Civil Action No. 8:09-CV-00005-PJM

**AMENDED AFFIDAVIT OF JASON ZUENA IN SUPPORT OF
MOTION FOR DISTRIBUTION OF THE NET SETTLEMENT FUND**

STATE OF NEW YORK)
) ss.:
COUNTY OF NASSAU)

Jason Zuena being duly sworn, deposes and says:

1. I am a Senior Director of Operations for The Garden City Group, Inc. (“GCG”), which was authorized to act as the Claims Administrator in connection with the settlement of the above-captioned litigation (the “Litigation”), pursuant to the Court’s February 22, 2012 Order (1) Preliminarily Certifying Settlement Class, (2) Preliminarily Appointing Plaintiffs as Settlement Class Representatives, (3) Preliminarily Appointing Class Counsel, (4) Directing Notice, (5) Preliminarily Approving the Settlement, and (6) Scheduling Hearing Date (the “Preliminary Approval Order”). I have personal knowledge of the facts stated herein.

DISSEMINATION OF NOTICE AND PROOF OF CLAIM AND RELEASE

2. The Stipulation of Settlement dated February 9, 2012 (the “Stipulation”) proposed a settlement of the Litigation in the amount of \$18,000,000 in cash, plus any accrued interest

thereon (the "Settlement Fund"). The Court gave preliminary approval to the Settlement on February 22, 2012, and entered an order on the same date which was amended on March 14, 2012. In that Order the Court approved a plan for providing notice of the proposed settlement to the Settlement Class. As set forth in the May 10, 2012 Affidavit of Jose C. Fraga, submitted in connection with Plaintiffs' Motion for Final Approval, pursuant to the Court-approved notice plan, GCG mailed nearly 250,000 copies of the Court-approved Notice of Pendency of Proposed Settlement of Class Action and Settlement Hearing (the "Notice") and Proof of Claim and Release (the "Proof of Claim" and, together with the Notice, the "Claim Packet") to potential Settlement Class Members by first-class mail, commencing on March 22, 2012. Further, GCG Communications, the media division of GCG, caused the Summary Notice of Pendency of Proposed Settlement of Class Action and Settlement Hearing (the "Summary Notice") to be transmitted over PR Newswire on April 2, 2012, over Business Wire on April 9, 2012 and over Marketwire on April 16, 2012.

3. The Court held a hearing on June 7, 2012 to consider whether the Settlement should be granted final approval by the Court. By its Final Judgment and Order Certifying Settlement Class, Approving Class Action Settlement and Plan of Allocation, Awarding Attorney's Fees and Expenses, Approving Reimbursement of Plaintiffs' Expenses and Dismissing Action With Prejudice entered on June 12, 2012; this Court approved the Settlement as fair, reasonable and adequate.

PROCEDURES FOLLOWED IN PROCESSING CLAIMS

4. Under the terms of the Stipulation, Settlement Class Members were required to submit a Proof of Claim in order to obtain their share of the Net Settlement Fund less all fees and expenses awarded and allowed by the Court and taxes paid by the fund.

5. GCG undertook the following tasks in order to prepare to process the Proofs of Claim: conferred with Co-Lead Counsel to define the project and guidelines for claims processing; trained staff in the specifics of the project; and developed computer programs for entry of the claimants' personal identification and their transactional information. More specifically, in support of the work described above, GCG's systems staff designed, implemented and tested the following programs for this administration: (a) data entry screens that store claim information, including all transactional data included on each Proof of Claim, claimant account types, as well as message codes and, where necessary, text to denote conditions existing within the claim; (b) programs to load and analyze transactional data submitted electronically for all electronically filed claims (the load program converts the data submitted into the format required by the calculation program; the analysis program determines if the data is consistent and complete and triggers a response to the electronic filer where appropriate); (c) a calculation program to analyze the transactional data for all claims, and calculate the Recognized Loss based on the Court-approved Plan of Allocation; (d) programs to generate various reports throughout and at the conclusion of the administration, including the lists of all eligible and ineligible claims attached hereto; and (e) check writing programs which calculate each eligible claimant's award amount by determining the proration factor for the Class and applying it against the Recognized Loss, as calculated above.

6. Settlement Class Members seeking to share in the Settlement Fund were directed in the Notice to submit their Proofs of Claim to a post office box specifically designated for this Settlement. GCG sorted incoming mail into Proofs of Claim, responses to deficiency letters, and administrative mail. Administrative mail includes all mail other than Proofs of Claim and supporting documentation and responses to deficiency letters, such as requests for Proof of

Claim forms, requests for change of address, correspondence regarding the administration process, and inquiries about the status of the administration. Claim Packets that were returned by the Post Office as undeliverable were reviewed for better addresses and, where available, new addresses were entered into the database and new Claim Packets were mailed to the updated addresses. Administrative mail was reviewed and appropriate responses were provided to the sender.

7. The Proofs of Claim were opened and scanned into a case-specific database along with all submitted documentation, and were then assigned individual claim numbers. The information from each claim form, including the name, address, last four digits of the Social Security Number of the claimant, and the holdings, purchases and sales listed on the claim were then entered into a computerized database. The documentation provided in support of each claim was reviewed to ascertain whether the claimant had in fact purchased shares of the publicly-traded common stock of American Capital, Ltd. between October 31, 2007 and November 7, 2008, inclusive (the "Settlement Class" and the "Settlement Class Period"). GCG also reviewed all Proofs of Claim to ensure that they were not submitted by, or on behalf of, persons or entities excluded from the Class by definition and, to the extent that the identities of such persons or entities were known to GCG through the list of Defendants and other excluded persons and entities set forth in the Stipulation and the Notice and through the Claimants' certifications on the Proofs of Claim. GCG also reviewed all Proofs of Claim against the list of persons and entities who were excluded from the Class pursuant to requests for exclusion.

THE DEFICIENCY NOTICE AND CURE PROCESS

8. GCG established internal claim codes to identify and classify types of claims and conditions that existed within the claims. These claim conditions included, among other things,

notation about which claims were partially deficient and which claims were wholly deficient. Accordingly, if a claim was determined to be wholly deficient (for example, if the claim was missing documentation for the entire claim, the claimant did not sign the claim form or did not provide enough information to calculate the claim or if the claim was determined to have no Recognized Loss when calculated under the Court Approved Plan of Allocation, we mailed a letter entitled “Notice of Rejection of Your Entire Claim.” This letter described to the claimant the defects with his, her or its claim and what, if anything, was necessary to complete the claim. The letter required a submission of the appropriate information and/or documentary evidence to complete the claim, or the claim would be rejected in its entirety.

9. If a claim was determined to be partially deficient (for example, if the claimant was missing documentation for part of the claim, or did not supply all transactional information), we mailed a letter entitled “Notice of Rejection of Part of Your Claim.” This letter described to the claimant the defect(s) in his, her or its claim and what was necessary to complete the claim, or the claim would only be eligible to the extent it was complete and documented.

10. Responses to the Notice of Rejection of Your Entire Claim and Notice of Rejection of Part of Your Claim (hereinafter collectively defined as “Notice(s) of Rejection letters”), were carefully reviewed and evaluated. If the response cured the deficiency, the database was updated to reflect the change(s) in the claim.

11. Attached hereto as Exhibit “A” are copies of the Notice of Rejection letters used to notify claimants of the rejection of their claims in part or in their entirety. These letters advised the claimant of his, her or its right to request this Court’s review of GCG’s administrative determination rejecting the claim. Both letters stated that the claimant could request this Court’s review of the rejection of the claim by sending a statement in writing to

GCG, setting forth the reasons why he, she, or it believed that the claim was adequately submitted.

12. As set forth above, the Notices of Rejection advised Claimants that, if they did not agree with GCG's administrative determination, they had the right to request judicial review of their Proofs of Claim. GCG received letters from 47 Claimants contesting GCG's administrative rejection of their Proofs of Claim in whole or in part. A significant number of those Claimants simultaneously provided GCG with documentation and/or information that was sufficient to cure the deficiencies in their Proofs of Claim. As a result, the letters requesting further review submitted by those Claimants are now moot and the Proofs of Claim are being recommended for payment. Indeed, one of the main purposes of providing Claimants with the opportunity to challenge GCG's administrative determination to reject their Claim is to provide those Claimants with another opportunity to provide the information and/or material needed to complete their Proofs of Claim. In addition, subsequent to receipt of all of the requests for judicial review, GCG attempted by telephone and/or letter to contact each contesting Claimant with uncured deficiencies or who were otherwise ineligible to advise him, her or it of the status of his, her or its Proof of Claim, and to explain the basis of GCG's administrative determination to reject the Claim. As a result of GCG's communications, certain contesting claimants whose claims remain deficient affirmatively withdrew their requests for Court review, and their Proofs of Claim are being recommended for rejection. To date, only one claimant has an outstanding request for Court review of GCG's administrative determination to reject their Proof of Claim. A copy of the claimant's submission and any correspondence with GCG is enclosed as Exhibit "B".

13. The remaining disputed claimant contests the rejection of its claim because it does not calculate to a compensable loss under the Court-approved Plan of Allocation and, therefore,

is ineligible to share in the distribution of the Settlement Fund. The claimant does not contest the dates of his or her transactions, the number of shares of American Capital, Ltd. common stock purchased or sold, or the purchase or sale prices. All of the shares of American Capital, Ltd. common stock purchased by the remaining disputed claimant that were purchased during the Class Period were subsequently sold prior to the opening of the market on November 10, 2008. According to the Court-Approved Plan of Allocation, for each share sold prior to the opening of the market on November 10, 2008, the Recognized Loss is \$0.00. Accordingly, GCG recommends this disputed claim for rejection.¹

14. In addition to the lengthy process involved in working with all of the claimants that originally requested judicial review, GCG took additional efforts to assist all other claimants with curable defects in their claims, even if they did not request judicial review. Indeed, one of the most time consuming aspects of the administration was extensively assisting claimants through the process and providing them with various opportunities to file, and to complete, their claims. Thus, after all responses to the deficiency letters referenced above were received and evaluated and claims updated, GCG called all claimants with still deficient claims having a potential Recognized Loss by utilizing an automated calling campaign in an effort to provide the claimant a final opportunity to properly complete his, her or its claim. The automated call explained that the claimant either did not timely file a response to the letter, or that the response

¹ The claimant Rejection was sent a "Notice of Your Entire Claim" on or around November 14, 2012. GCG personnel attempted to contact the claimant several times during the month of January; however, each time the phone number provided had a constant busy signal. A letter was sent via U.S. Postal Mail on or around January 28, 2013 advising the Claimant why the claim had been rejected and advised that if they would like to speak to GCG personnel, they may do so at the number provided. An additional letter was sent at the direction of Co-Lead Counsel on February 20, 2013 reiterating the reason for rejection and GCG's contact information should the claimant like to speak further regarding the determination of its claim. This Claimant never responded to our outreach.

was inadequate. These calls also provided the toll free settlement helpline phone number so the claimant could call for assistance. If in response to the telephone call the claimant cured the deficiency, the database was updated to reflect the change.

CLAIMS DETERMINATION

15. The postmark deadline for filing Proof of Claim forms with accompanying transactional documentation was July 20, 2012. GCG received timely-submitted Proof of Claim forms from 41,388 claimants. An additional 2,167 Proof of Claim forms were submitted after the July 20, 2012 deadline.

16. Submitted herewith as Exhibit "C" is a list that contains all the claims filed herein. The first portion of the list includes the claim numbers of all 21,691 Timely Authorized Claimants who filed timely claims and shows their Recognized Loss amounts in claim number order. This is followed by a list of the claim numbers of all 1,258 Late Postmarked but Otherwise Authorized Claimants, with Proofs of Claims postmarked after July 20, 2012, showing their Recognized Loss amounts in claim number order. The second portion of the exhibit lists the 20,606 claim numbers of all the rejected or ineligible claims filed and shows the reasons why the claims were rejected, in claim number order. For privacy reason(s), the Exhibit filed with the Court provides only the claim number and Recognized Loss amount or reason for rejection (no name, address or Taxpayer I.D. numbers are disclosed).

17. Recognized Loss amounts were calculated for claims that were properly filed and supported with adequate documentary evidence pursuant to the Court-approved Plan of Allocation.

18. All otherwise eligible claims, whether timely filed or late, are included in the list of Authorized Claimants for this Court's review.

19. The total Recognized Loss for all timely-filed, properly supported eligible claims, is \$185,854,020.31. The total Recognized Loss of all properly-supported, otherwise eligible claims, that were *not* timely filed, is \$9,410,473.44.

20. A total of 20,606 claims were rejected for the following reasons:

<u>NO. OF CLAIMS</u>	<u>REASON FOR REJECTION</u>
9,726	Proof of Claim Did Not Fit the Class Definition ² ;
66	Duplicate Proof of Claim
2,375	Deficient Proof of Claim Never Cured
8,439	Proof of Claim Did Not Result in a Recognized Loss. ³

21. The foregoing 20,606 rejected claims are listed in Exhibit C hereto. It is GCG's understanding that Co-Lead Counsel will recommend that all 20,606 claims be rejected finally by the Court.

22. An integral part of the claims administration process is the Quality Assurance ("QA") review. Once all of the claims have been processed, Notice of Rejection letters have been mailed, and deficiency responses reviewed and processed, GCG's QA department performs a final project wrap-up in order to ensure the accuracy and completeness of all processed claims prior to preparing our final reports to Co-Lead Counsel. Here, in connection with this project, GCG: (i) determined that valid claims have no codes denoting ineligibility; (ii) determined that claims that are ineligible have codes denoting ineligibility; (iii) determined that claims that contained purchases that occurred outside of the Settlement Class Period contain appropriate

² The vast majority of rejected claimants in this category did not purchase shares of American Capital stock during the Class Period. Additionally, some claims were filed claiming losses in securities other than American Capital.

³ These claimants either recognized a market gain through their trades in American Capital common stock or they failed to hold American Capital common stock through the end of the Class Period, as required by the Plan of Allocation.

ineligibility message codes; (iv) determined that claim detail (transaction) codes appear only on claim detail records; (v) determined that all claims requiring Notice of Rejection letters were sent such letters; (vi) performed a sample review of deficient claims; (vii) reviewed claims with large dollar losses of \$1,000,000 or more; (viii) sampled claims that were determined to be ineligible, including those with no Recognized Loss calculated in accordance with the Plan of Allocation, in order to verify that all transactions had been captured correctly; and (ix) tested the accuracy of the calculation program.

23. GCG has spent the time necessary to process thoroughly the claims and to protect the interests of the Class as a whole. No claims were rejected out-of-hand and adequate time was spent communicating with Settlement Class Members and suggesting appropriate ways they could document their claims and participate in the settlement. Telephone calls and written letters from claimants to GCG were courteously handled. Settlement Class Members were assisted to the fullest extent possible.

DISTRIBUTION OF THE NET SETTLEMENT FUND

24. GCG recommends the following distribution plan:

a. GCG will distribute 100% of the available balance of the Net Settlement Fund to all Settlement Class Members to whom the Court authorizes payment (“Authorized Claimants”), after deducting the payments previously allowed and requested herein, other litigation expenses that the Court may approve for reimbursement, and after the payment of any estimated taxes and the costs of preparing appropriate tax returns and any escrow fees, to all Authorized Claimants (the “Distribution”).

b. In order to encourage Authorized Claimants to cash their Distribution checks promptly, and to avoid or reduce future expenses relating to unpaid Distribution checks,

all Distribution checks will bear the following notation "CASH PROMPTLY, VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT CASHED WITHIN 120 DAYS AFTER ISSUE DATE."

c. Authorized Claimants who do not cash their Distribution checks within the time allotted will irrevocably forfeit all recovery from the Settlement.

d. If any funds remain in the Net Settlement Fund by reason of un-cashed checks or otherwise, after GCG has made reasonable and diligent efforts⁴ to have Authorized Claimants who are entitled to participate in the distribution of the Net Settlement Fund cash their distribution checks, any balance remaining in the Net Settlement Fund six (6)

⁴ In an effort to have as many Authorized Claimants as possible cash their Distribution checks, GCG will perform extensive follow-up with those Authorized Claimants whose Distribution checks are initially uncashed, either because they are returned to GCG as undeliverable or because the Authorized Claimant simply did not cash the Distribution check after a period of time elapses. For Authorized Claimants whose Distribution checks are returned as undeliverable, GCG will endeavor to locate new addresses by running the undeliverable addresses through the USPS National Change of Address database and, where appropriate, via Internet search techniques and by calling the Authorized Claimants. Where a new address is located, GCG will update the database accordingly and re-issue a Distribution check to the Authorized Claimant at the new address. For Authorized Claimants whose Distribution checks are not returned but who simply do not cash their Distribution checks, GCG will use a mix of automated and personalized telephone calls to urge such Authorized Claimants to cash their Distribution checks. Authorized Claimants will be informed on their Distribution check that, if they do not cash their Distribution checks within 120 days from the mail date, their Distribution check will lapse, their entitlement to a recovery from the Settlement will be irrevocably forfeited and the funds will be re-allocated to other Authorized Claimants. In the event an Authorized Claimant loses or damages his, her or its Distribution check, or otherwise requires a new Distribution check, GCG will issue replacements. Distribution re-issues will be undertaken only upon written instructions from the Authorized Claimant, and provided that the Authorized Claimant returns the first Distribution check where appropriate. If a Distribution check is deemed lost, GCG will void the initial Distribution check prior to re-issuing a payment. In addition, and to maximize GCG's efforts to have all Distribution checks cashed, GCG has trained the staff at its Call Center to handle the various issues that likely will arise during the distribution of the total Net Settlement Fund. Typically, the Call Center receives calls with respect to the calculation of Proofs of Claim, distribution amounts, and the timing of this Distribution and any future distributions. GCG expects a high call volume during the weeks immediately following dissemination of the Distribution checks. Requests for reissued Distribution checks in connection with any re-distribution will be handled in the same manner.

months after the initial Distribution of such funds shall be distributed in accordance with the provisions of Section 7.3(c) of the Settlement Agreement.

FEES AND DISBURSEMENTS

25. As of April 30, 2013, GCG's current outstanding fees and expenses amount to \$687,669.54 and GCG's estimated fees and expenses for the initial distribution amount to \$67,214.50 for a total of \$754,884.04. An invoice reflecting currently outstanding fees and expenses and estimated fees and expenses for the initial distribution is annexed hereto as Exhibit "D."

RECORDS RETENTION AND DESTRUCTION

26. Unless otherwise ordered by the Court, one year after distribution of the Net Settlement Fund, GCG will destroy the paper copies of the Proofs of Claim and all supporting documentation, and three years after distribution of the Net Settlement Fund it will destroy electronic copies of the same.

1. If you purchased Shares and held them in your name, you are the beneficial purchaser as well as the purchaser of record. If, however, you purchased or otherwise acquired these securities and the certificate(s) were registered in the name of a third party, such as a nominee or brokerage firm, you are the beneficial purchaser and the third party is the record purchaser.

2. Use Part I of this form entitled "Claimant Identification" to identify each beneficial purchaser of the Shares which forms the basis of this claim. **THIS CLAIM MUST BE SUBMITTED BY THE ACTUAL BENEFICIAL PURCHASER OR PURCHASERS OR THE LEGAL REPRESENTATIVE OF SUCH PURCHASER OR PURCHASERS, OF THE SHARES UPON WHICH THIS CLAIM IS BASED.**

3. All joint purchasers must sign this claim form. Executors, administrators, guardians, conservators, and trustees must complete and sign this form on behalf of Persons represented by them and documentation establishing their authority must accompany this claim and their titles and capacities must be stated. 4. A claimant whose Shares were held in a custodian account under a Uniform Gift to Minors Act ("UGMA"), may file in his or her own name if he or she is now of age. In this event, the former custodian does not have to sign the Proof of Claim. Custodians under the UGMA should identify themselves as beneficial purchasers, not nominees (e.g., John Smith, Custodian for Jack Smith UGMA). In this instance, use the minor's Social Security Number.

5. Corporate officers or partners filing for a claimant corporation or partnership should fill in the name of the entity as the beneficial purchasers, and sign their names and titles where indicated on the signature page.

6. Use Part III, Sections A, B, C and D of this form entitled "Schedule of Transactions in the Shares" to supply all required details of your transaction(s) in the Shares. On the schedules, provide all of the requested information with respect to (i) the number of Shares you held after the close of trading on October 30, 2007; (ii) all of your purchases and all of your sales of the Shares which took place during the Settlement Class Period, regardless of whether such transactions resulted in a profit or loss; and (iii) the number of Shares you owned after the close of trading on November 10, 2008. Failure to report all such transactions may result in the rejection of your claim.

7. List each transaction in the Settlement Class Period separately and in chronological order, by trade date, beginning with the earliest. You must accurately provide the month, day, and year of each transaction you list.

8. Brokerage commissions and transfer taxes paid by you in connection with your purchase and sale of the Shares should be excluded in computing the "total purchase price" and the "total sales price."

9. Brokers' confirmations or other documentation of your transactions in the Shares should be attached to your claim. Failure to provide this documentation could delay verification of your claim or result in rejection of your claim.

Plaintiffs and Defendants acknowledge, and each of the Settlement Class Members by operation of law shall be deemed by operation of the Order and Final Judgment to have acknowledged, that the inclusion of "Unknown Claims" in the definition of Released Claims was separately bargained for and was a key element of the Settlement, of which this release is a material and essential part, and expressly waive the benefits of (i) the provisions of §1542 of the California Civil Code, which provides that:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR

Trade Confirmation Terms and Conditions

IT IS AGREED BETWEEN THE EXECUTING BROKER AND THE CUSTOMER NAMED HEREIN THAT:

1. TD Ameritrade Clearing, Inc., member of FINRA/SIPC acts as the clearing agent.
2. This confirmation is a transaction advice, not an invoice. Remittance of funds or securities is due on or before settlement date.
3. You will report any errors immediately and/or notify us if not entirely in accordance with your understanding.

4. All transactions are subject to the rules, regulations, requirements (including margin requirements) and customs of the Federal Reserve Board, the Securities and Exchange Commission, the Exchange or market (and its clearing house, if any) where executed, and of any association whose rules and regulations govern transactions in said market, and to all the terms of our general customer's agreements between you and us. Wisconsin customers' agency trades are unsolicited.
5. The securities described are, or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of the other customers. Such commingling, if any, ceases upon payment by you for these securities in the net amount due.
6. The name of the other party or broker in the transaction, the date, the time of execution, source and amount of remuneration will be furnished upon request.
7. If this transaction is a sale and the securities are not already in our possession and do not represent a short sale, please forward them immediately to avoid possible payment of premium on securities borrowed.
8. If payment is not made on or prior to the date required by Regulation T of the Federal Reserve Board, we reserve the right without further notice, to cancel this transaction, or at our option, to sell the securities covered hereby and hold you liable for resulting loss.
9. Misc. Fees will be explained upon request. TD Ameritrade will charge a Reg Fee on certain transactions. These charges are typically based on fees assessed under various regulations applicable to transactions. It may include any of the following: a sales fee on certain sell transactions (assessed at a rate consistent with Section 31 of the Securities and Exchange Act of 1934), the Options Regulatory Fee (applicable to options transactions), among other charges.
10. If the transaction involves callable securities, the call features could affect yield. Complete information will be provided upon request. On zero coupons, interest and multiplier securities, no periodic payments of interest or principal are generally made. These securities may be callable, below maturity value, without notice by mail to holder unless the securities are held in registered form. On CMOs, yields are subject to fluctuation depending on prepayment; specific information is available upon request.
11. The firm receives payment for order flow on certain listed, NASDAQ and over-the-counter securities. The source and nature of payment received in connection with a particular transaction will be furnished upon written request.
12. Leveraged and inverse ETFs entail unique risks, including but not limited to: use of leverage; aggressive and complex investment techniques; and use of derivatives. Leveraged ETFs seek to deliver multiples of the performance of a benchmark. Inverse ETFs seek to deliver the opposite of the performance of a benchmark. Both seek results over periods as short as a single day. Results of both strategies can be affected substantially by compounding. Returns over longer periods will likely differ in amount and even direction. These products require active monitoring and management, as frequently as daily. They are not suitable for all investors.
13. Bonds and/or fixed-income securities trade differently than equity securities and do not trade on a listed exchange. Rather, they trade in the OTC (over the counter) marketplace and liquidity may not always exist for you to sell your position prior to maturity.

PROBLEM(S) WITH YOUR CLAIM:

PROBLEM WITH YOUR CLAIM:

THE CLAIM DOES NOT RESULT IN A "RECOGNIZED LOSS" AS DEFINED BY THE COURT-APPROVED PLAN OF ALLOCATION. The Plan of Allocation is contained in the Notice that was mailed to you along with your Claim Form. Your "Recognized Loss" is not intended to equal your actual "market loss" (the amount of money you actually lost) and it is possible that you lost money but still have no "Recognized Loss."

If you do not intend to supply additional information/documentation, and you still disagree with the determination, you may request Court review of the determination. To request Court review, you must send a letter to the claims administrator within twenty one (21) days of the date of this letter and it must: (1) specifically state that you "request that the Court review the rejection of your claim," (2) state your argument(s) for why your claim should be accepted, (3) attach any supporting documents you may have to support your argument, and (4) be signed. Please also include a copy of this letter when requesting Court review of the rejection of your claim. Your claim and its administrative rejection will be presented to the Court for review.

Re: Claim # 1168397

Dear Mr. Rundzio,

I am writing regarding your recent request for Court Review of the determination of your claim. We have made several attempts to reach you by phone and have been unsuccessful. We would like to explain to you the reason why your claim is rejected. Please call me at (631) 470-5082 and I will be happy to explain.

In an effort to assist you in understanding the determination, I am enclosing a copy of your claim.

According to your claim and the documentation that you supplied to substantiate your trading with American Capital, you are claiming 100 shares purchased on September 25, 2008 and sold October 17, 2008. Please be advised according to the Notice, on page 5, "For each share sold prior to the opening of the market on November 10, 2008, the Recognized Loss is \$0." Because your sale took place prior to that period, you are not eligible.

Please contact me immediately if you need further clarification, have additional purchases from October 31, 2007 through November 10, 2008 that you did not previously provide.

Kind Regards,
